INSERT SCHOOL DISTRICT NAME ADOPTS VISION 2030 BOARD RESOLUTION OF SUPPORT

[CITY, STATE] — The [School District Name] Board of Education voted today to adopt a resolution in support of Vision 2030, a blueprint to enhance public education to better serve students in an evolving world.

Vision 2030 is a comprehensive effort developed by members of eight statewide education associations to create a framework of legislative goals and policy changes that would improve Illinois' public education system.

The resolution of support specifically endorses Vision 2030's emphasis on four key priorities:

- Keeping students safe
- Keeping high-quality educators in front of students
- Enhancing post-secondary success
- Improving measurements of what is working well in schools

Example Quote Board President

"Our support for Vision 2030 reflects our dedication to preparing students for the challenges and opportunities of tomorrow," said [Board President Name], Board of Education President. "This initiative aligns with our district's mission to provide innovative, high-quality education while being responsible stewards of public resources."

The eight statewide partner associations include: Illinois Association of School Administrators, Illinois Association of School Boards, Illinois Principals Association, Illinois Association of School Business Officials, Illinois Association of Regional Superintendents of Schools, Superintendents' Commission for the Study of Demographics, Illinois Alliance of Administrators of Special Education and Illinois Association of Rural and Small Schools.

The insert name district joins numerous other school systems across the state in supporting the Vision 2030 legislative initiative.
